

Please post to St. Croix members. Maybe someone is interested in a Pacific. I can deliver at the Spring Meet if needed as it is located here in Ames.

Gentlemen:

Please tell your friends and neighbors about the Little Engines Pacific for sale. Asking price is \$21,000. It will go on website discoverlivesteam tomorrow or Wednesday. I have purchased a Hudson and I think my limit of steam locomotives should remain at two. Forward this message to anyone who may be interested.
